

HOMELESS & HOUSING RESOURCE CENTER

Purpose

The Homeless and Housing Resource Center (HHRC) was established by the Substance Abuse and Mental Health Services Administration (SAMHSA) to expand the availability of high-quality training in evidence-based housing and treatment models focused on adults, children, and families who are experiencing or at risk of homelessness and have a serious mental illness, serious emotional disturbance, substance use disorders, or co-occurring disorders.

About

HHRC provides training on housing and treatment models focused on adults, children, and families who are experiencing or at risk of homelessness and have serious mental illness and/or serious emotional disturbance, substance use disorders, and/or co-occurring disorders.

Vision

The vision of HHRC is to be a central hub of easily accessible, no-cost training for health and housing professionals in evidence-based practices that contributes to housing stability, recovery, and an end to homelessness.

Resources and Trainings

Based at Policy Research, Inc., HHRC works in partnership with national experts in homelessness, mental health, and substance use to develop up-to-date, comprehensive toolkits, webinars, and self-paced online trainings.
