Webinar: Disaster Response Planning for Homeless Service Providers

May 26, 2:00-3:00pm ET (11:00am-12:00pm PT)

People experiencing homelessness face unique challenges and barriers that complicate and intensify in disaster situations. Planning for disaster response is essential for people experiencing homelessness who have behavioral health conditions and the providers that serve them. Join this webinar to learn how to start planning for disaster response and to hear from one community well versed in these situations. Participants will be able to ask questions before and during the webinar.
