Amy Lamerson, MSW has worked in the housing and homelessness arena for the past eleven years and is joining the HHRC team as a Project Associate II. They have experience working as a coordinator for Road to Housing, a critical time intervention model in Columbus, and have worked in both the men’s and women’s shelters, assisting with coordination of services in mental health, substance abuse, and rapid rehousing using the Housing First and Critical Time Intervention Models (CTI) with single adults.

Amy previously worked as a Veteran’s Case Manager in the SSVF program and Housing Specialist for Faith Mission in Columbus, OH. There they worked in both men’s and women’s shelters, assisting with coordination of services in mental health, substance abuse, and rapid rehousing using the Housing First and Critical Time Intervention Models (CTI) with single adults.

Amy attended the Ohio State University in Columbus for their Bachelor of Science in Social Work and received her Master of Social Work in 2018. She has expertise with the SAMHSA-sponsored SOAR model. She has worked on the Governor’s TANF initiative with COHHIO’s program: Housing Now for SSI/SSDI benefits. As well as a funding administrator for the Ohio Department of Jobs and Development, she assisted individuals experiencing homelessness with potential SSI/SSDI benefits. Amy has also worked in both the men’s and women’s shelters, assisting with coordination of services in mental health, substance abuse, and rapid rehousing using the Housing First and Critical Time Intervention Models (CTI) with single adults.

Amy has also served as a case manager at the Joint Venture Housing program, working as a coordinator for Road to Housing, a critical time intervention model in Columbus, and has worked in both the men’s and women’s shelters, assisting with coordination of services in mental health, substance abuse, and rapid rehousing using the Housing First and Critical Time Intervention Models (CTI) with single adults.

**HHRC Welcomes Amy Lamerson!**
